

**BASIS – Bracing Adolescent Idiopathic Scoliosis Study – night-time versus full-time bracing in adolescent idiopathic scoliosis**

**Named PubMed Collaborator Agreement**

The BASIS study team have agreed a points system whereby staff not listed in the BASIS Publication & Dissemination Plan can gain “PubMed citable” collaborator status, to recognise the role clinical staff can have in research.

*The criteria to determine an individual’s collaborator status are:*

<b>Activity</b>	<b>Points</b>	<b>Evidence/ suggestions</b>
GRANULE Course Go to <a href="https://learn.nihr.ac.uk/course/">https://learn.nihr.ac.uk/course/</a> and register using an NHS e-mail address.	2 points	- GRANULE Certificate
Recruitment of participants	4 points per recruit	- Named on parent consent/patient assent form as person taking consent

**10 points or above = named PubMed citable collaborator**

It is the responsibility of the individual to provide evidence to the Sheffield CTRU team that they have achieved the required 10 points, made up from any combination of the above.
